<u>**Business Meeting**</u>

Len Parsons, Vice President of Silver Jackets, called the meeting to order and welcomed the members and reminded them that USG / Tech Benefits has scheduled a meeting to provide information about upcoming changes in the Board of Regents Health Plan for Medicare-eligible Retirees:

> <u>Friday, May 8 at 11:00 AM in the Student Center Auditorium</u>. This presentation will be by **Aon Retiree Health Exchange,** the private exchange through which Board of Regents Health Plan is offering Medicare-eligible retirees a defined contribution, which can be used to purchase private supplemental Medicare coverage.

Vice President Parsons introduced **Jasmine Burton**, a recent Georgia. Tech graduate. Her three-person team won Tech's 2014 InVenture Prize Competition. She is Founder & President of her company **Wish for WASH.**

> Ms. Burton explained that **Wish for WASH, LLC** is a social impact organization designed to bring innovation to sanitation.

> Topics discussed by Ms. Burton included the following:

> > Review of immense need for sanitation facilities particularly in view of the massive numbers of refugees in today's world;

> > Existing products on the market;

> > Historical steps in the development of the new product;

> > Key factors in design of the product: odor control, user experience, cutting cost to $40.

Vice President Parsons announced that **Sherri Johnson** would present a program on **3D Printing and Model Railroading** at the **May 12 Meeting** of the **Silver Jackets.**

Respectfully submitted,
